Declining profit/productivity of NALCO

2214. SHRI RAMACHANDRA KHUNTIA: Will the Minister of MINES AND MINERALS be pleased to state:

(a) whether it is a fact that the profit and productivity of NALCO, Orissa is decreasing every year; and

(b) if so, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF MINES AND MINERALS (DR.(SHRIMATI) RITA VERMA): (a) and (b) No, Sir. In the year 1998-99 the production of Aluminium was unusually low due to the potline crisis in the Aluminium Smelter of NALCO. Consequently profits in that year were also low. The position has now reverted to normal in the current year.

Mineral exploitation from sea bed

2215. SHRI P. PRABHAKAR REDDY: Will the Minister of MINES AND MINERALS be pleased to state:

(a) whether it is a fact that Government have drawn up a legislation to enable optimal exploitation of mineral resources laying below the sea bed;

(b) if so, the details thereof and whether the proposed legislation would be presented in the Budget Session of the Parliament;

(c) whether the said legislation incorporates some of the major recommendations of S.D. Sharma Committee on the subject and will lay down environmental norms for the companies exploiting the marine resources; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF MINES AND MINERALS (DR. (SHRIMATI) RITA VERMA): (a) No Sir. Any new legislation on optimal exploitation of mineral resources lying below the sea bed requires to be in harmony with the provisions of the existing legislation governing maritime resources. The Ministry of Mines and Minerals has not completed the process of necessary inter departmental consulations in this regard.

(b) to (d) In view of (a) above do not arise.
